**Officer's Corner**

I hope everyone is having a great summer, in spite of the "pandemic". This has certainly been like no other time in my lifetime. It seems at every turn, we are having to adjust our way of life to a new "normal". Hopefully we headed in the right direction and can get back some sense of normalcy, or as close as we can.

As most of you are aware, Jim Andrews stepped down as President a few months ago. Rather than do something for the short term, we decided to leave the position empty until 2021. A nominating committee has been selected to seek candidates to be presented at the August 1 meeting. The present officers have all agreed to stay on, and I believe the committee has interested candidates to fill all

slots and will present at this Saturday's meeting.

ARCA has experienced some growth this year. We welcome back former members, John Brent, Wilton Hodges, Larry Fortenberry and Brayan Cabrera. New members that have joined this year include Ken Ferguson, Jerry Brown and Doug Shugart.

As always, a special thank you for Danny McDevitt for his devotion to keeping the field in pristine condition. Thank him whenever you see him.

Also, if you are not up to date on your dues, please get with me.

I look forward to seeing everyone this Saturday, 10:00 AM for the meeting.

Keep safe and hydrated.

Regards,

Bob Anderson
